### **DELIVERIES**

**You MUST complete the attached form for any deliveries or they will not be delivered.**

We will have deliveries available in the immediate Savannah area to businesses that purchase 10 or more dinners and are unable to send a driver to pick them up. Please keep in mind that deliveries are made by parent volunteers and we count on volunteers to make deliveries happen. So if they can pick up we would appreciate it, but otherwise we will make the delivery happen!!

### **IMPORTANT:**

1. Students have been given tickets and an envelope. **REMEMBER – tickets are like cash.** If the tickets are not sold or are lost and someone shows up on February 17th, we will have to honor the ticket and that will cut in our profits! Please stress this to your student(s), because if this happens we will be calling you!
2. **Please count money carefully before turning it in.** It is very time consuming for us to chase down students or contact parents to resolve money issues.
3. **MONEY DONATIONS & DINNER TO DONATE TO LOCAL CHARITY** are always accepted in lieu of purchasing dinners for pick up. If you get the “we don’t eat bbq chicken”, please remind people they can donate directly to the band (any dollar amount from \$1 and up). Or they can purchase a chicken dinner and we will donate it to a local charity.  
*Please clearly note how much of the money is for straight donations to the band.*  
*Please mark stubs “DONATE DINNER” for dinners to charity.*
4. **WE MUST HAVE THE COMPLETED STUBS RETURNED with the money.** We must know who is picking up each chicken dinner – so write the first and last name on each stub. Phone numbers are not necessary.
